

31 January 1985

MEMORANDUM FOR: Group, Division, Bureau and Staff Chiefs

FROM:

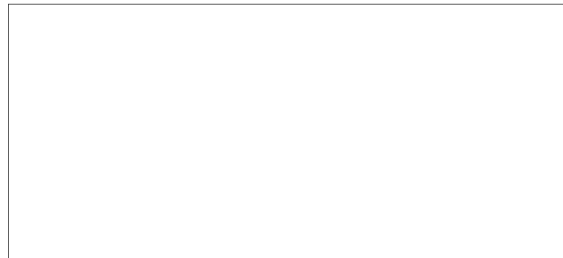

Director, Foreign Broadcast Information Service

STAT

SUBJECT: Reorganization

1. Effective 4 February the MIDAS Support Staff is redesignated the Electronic Data Processing (EDP) Support Staff and is reassigned to the Engineering Division.

2. This change is made to permit more effective administration of maintenance and support of Operations Group EDP functions. The Staff will remain in their present quarters on the 11th floor so as to facilitate essential coordination with Daily Report and Wire Services personnel.
